In following with Governor McMaster’s guidelines, we will remain in Sabre Virtual Remote Learning through the end of the 2019-2020 school year.

Now through May 29, we will not have any clubs, activities, athletic practices, or games. Students will not have access to the school facilities including batting cages, Strength Training Center, Sabre Center, Sabre Stadium, and fields.

We continue to respond with best practices to our current educational reality while actively planning to serve students in new ways in future school years. Our Academic Leadership Team made up of our school principals, Director of Student Success Services, and Director of Curriculum and Instruction continues to develop effective instructional measures for maximizing online learning. We invite your feedback to help us provide Sabre Virtual Remote Learning with excellence. Look for a link to a short survey in your inbox in the next week.

We are developing a plan for some type of graduation ceremony. We will communicate with seniors and parents as those plans begin to formalize.

If you have any questions, please direct them to your principal – Mrs. Harriet Neal (hneal@southsidechristian.org) for EE, Dr. Rob Brown (rbrown@southsidechristian.org) for ES and MS, and Dr. Bob Stouffer (bstouffer@southsidechristian.org) for HS.

Thank you, parents and students, for all the hard work you have put into Sabre Virtual Remote Learning. While we would rather be together in a classroom setting, please know that our teachers and administration are working diligently to make this the best educational experience during this time.
